For Immediate Release

TWO THUNDER BAY CHAMBER OF COMMERCE \$500. HIGH SCHOOL SCHOLARSHIPS AWARDED

The Thunder Bay Chamber of Commerce is very pleased to announce the winners of the 2010 Chamber of Commerce Scholarships – Chelsea Dorval and Dayna Payment of Westgate Collegiate & Vocational Institute.

Chelsea will be continuing her education in the Honours Bachelor of Commerce Program at Lakehead University, and Dayna will be entering the Honours Bachelor of Science Program at Lakehead University this fall.

The Chamber of Commerce Scholarship is now in its 18th year. The Chamber's Education, Business & Student Services Committee Scholarship Task Force was very impressed by the quality of the applications that were received this year, which made it a difficult decision.

We are pleased to have supported so many students in advancing their education and careers, and expect many will become members of the Thunder Bay Chamber of Commerce.
